

Half-Day NUSNNI Workshop

Date: Thursday, 31 March 2005

Time: 10.30am - 2.00pm

Venue: B1k EA, #02-11

Meeting Schedule

- 10.30am - 10.40am: Welcome Address by NUSNNI Co-Directors
- 10.40am - 10.55am: Briefing by Dr Frank J Peter, Office of Life Sciences
- 10.55am - 11.10am: Presentation by A/Prof Feng Si-Shen (Chemical & Biomolecular Engrg Dept)
- "Cancer Nanotechnology"
- 11.10am - 11.25am: Presentation by Dr Rajasekhar Bala (Environmental Sci & Engrg Programme)
- "Environmental and Health Implications of Nanotechnology"
- 11.25am - 11.40am: Presentation by Prof Ng Wun Jern (Civil Engrg Dept)
- "Application of nano-materials in the removal of trace contaminants from aqueous phase"
- 11.40am - 11.55am: Presentation by Dr Liya E Yu (Chemical & Biomolecular Engrg Dept)
- "What have we known about the health effect of nanoparticles?"
- 11.55am - 12.10pm: Presentation by A/Prof Johan R C Van Der Maarel (Physics Dept)
- "DNA-Copolymer Vesicles for Gene Delivery"
- 12.10pm - 12.25pm: Presentation by Asst/Prof Han Mingyong (Division of Bioengrg)
- "Functional Nanostructured Materials for Biomedical Applications"
- 12.25pm - 1.00pm: Brainstorming for ways forward on the following topics:
- members and chair of working group
- physical space and infrastructure
- programmatic areas and funding
- any other related matters
- 1.00pm - 2.00pm: Lunch
